Lab 32: ocean: ocean impact of runoff and sewage

- Online, research the impact of freshwater runoff on our island on the leeward (west) coast
- Focus in on Puako, and research the impact of leaking septic tanks on the shoreline of Puako
- Questions:
  - What is a septic tank?
  - Where are they in Puako?
  - What happens when the tide comes in?
  - What happens when the tide goes out?
  - What is the impact of golf course runoff?
  - What is Eutrophication, and where does it happen?
  - What is the "water lens" of a volcano?
  - Where can you see the direct impact of this when you swim?
