Lab 33: ocean: sea level rise and climate change

- Sea levels are rising due to climate change.
- Check out this page and try a few simulations:
  https://coast.noaa.gov/digitalcoast/tools/slr.html
- Look up Majuro, an island atoll in the Pacific and try it out in your simulation.
- Make a wall map of our island, with the shorelines labeled for every 100 years in the future, if present trends continue.
- Make an island Map of Majuro and do the same thing.
