Lab 36b: resources: Hakalau and beyond

- Start with this page: https://asnerlab.org/lands/
- Look up the simulations of rapid ohia death and biodiversity on our island
- Check out this link: https://hawaiibiodiversity.org/
- Create a biodiversity threat wall map of our island, including endangered species and any invasive species on your map, with a legend for each
- Look up the Hakalau preserve and include any information on this in your wall map
